

Book Reader

-  Produce a list of books you have read recently, name their authors and be able to tell the examiner something about three of the books.

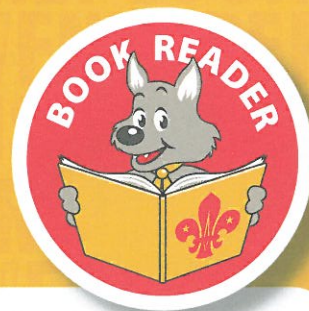

The books can be chosen by yourself and should include at least one story book and at least one factual book. Make sure the books are ones you can read.

-  Explain how to care for books.

-  Demonstrate that you can use a dictionary, encyclopedia and an atlas.

-  Explain to your Leader how the books in the library are set out and how you would find a specific fiction book.

Colour in each book when you have completed each task!
