

Gardening

Complete one of the following:

- Look after a patch of garden. Know what tools are needed and how to use and look after them. Grow something in your garden suitable for the time of year.
- Grow a variety of plants indoors and know the conditions under which they must be kept.

Complete any two of the following:

- Grow vegetables or flowers from seed; know how to prick out and transplant.
- Know about hazards to plants and flowers (e.g. diseases, pests) and understand what preventative methods can be taken and what can be done to aid growth.
- Know how to store vegetables and how long they may be stored.
- Show how to prepare flowers for display.
- Make a compost heap.
- Carry out a soil test using a standard kit.
- Help plan and plant a rockery garden, a fern or herb garden, herbaceous border, hanging basket, garden tub, etc.
- Help maintain a lawn and understand why it needs constant attention.

Colour in each flower when you have completed each task!
