

Aviator Kea

1. Find out about the flight of New Zealand's native parrot the Kea, after which our section is named.
2. Find out about New Zealand's flightless birds.
3. Make a paper dart and demonstrate to an adult how well it flies.
4. Find out about a particular aeroplane and share what you have found with your Kea Club. Examples might be Concorde, Airbus, Spitfire, Jumbo Jet or Helicopter.
5. Find out about some unusual ways of flying, e.g. hot air balloon, microlight, glider, sand or wind-surfing. Share this information with your Kea Club.
6. If you have flown in an aeroplane, tell others in your Kea Club about your flight. If you have not flown, tell others what aircraft you would like to fly in and why.
