

# Caring Kea

## Animals Option 2

1. Learn how to care for an animal, fish, bird or insect.
2. Find out some information about your chosen animal.
3. Know the correct food to feed the animal, including type, variety and quantity.
4. Help take care of an animal, fish, bird or insect for one month.
5. Keep a record of feeding and what is done to care for the animal.
6. Tell others in the Kea Club about this animal.
