

Term 4 2009 Monday Night Cubs

Dear Parent, families and Whanau

Welcome back to Term 4. Herewith, a brief overview of the program for Term 4. Any of these nights, cubs are welcome to bring a friend – maybe even two to share the fun and activities as I continue to work towards getting the pack numbers increased. I will forward out the Boating Gear/Clothing reminder in the next week. Please remember to a) think about what you, your cub and your family would like to do this year for the End of Year break up. The Kea Unit is finishing the week before so we are not limited by time (can start earlier) or venue.
